**ENFORM**

**Well Service BOP  
&  
Coil Tubing BOP**

**The Well Service B.O.P. Course** is a four day course aimed at Service Rig Operators, Service Rig Managers, Wellsite Supervisors, Field Foremen, Production Foremen, and Production Engineers involved in well killing operations on the service rig. Topics covered include sources and magnitude of pressures, causes of kicks, BOP equipment, kick warning signs, crew positions and duties, well shut-in procedures, well killing procedures, calculations, and government regulations.

Upon successful completion of the Well Service Blowout Prevention examination, the candidate will be issued a Well Service Blowout Prevention certificate, valid for 5 years.
